

Roseburg Lacrosse Club 2024 Spring Season

Dear Potential Lacrosse Supporter;

Roseburg Lacrosse Club is 501(c)(3) non-profit club sport (EIN # 20-4799131) affiliated with Roseburg High School. As a club sport, we partner with, but do not receive financial support from Roseburg High School. All monies needed to pay for our equipment, uniforms, transportation, student scholarships, league fees, etc., are earned strictly through fundraising activities and registrations. *We want the sport to be accessible for all players and our mission is to grow the sport in our community.*

Our primary fundraiser for the season is to sell advertising on our team poster. The poster is professionally photographed and is printed to include the name of each of our sponsors. ***This is also a great opportunity for families to sponsor their player or even sponsor a note of encouragement.*** We are also always looking for new donors to host our team poster portrait. Contact our poster organizers for more information!

Sponsorship costs are as follows for business and family sponsorships.

- **Bronze level: \$50** (basic print size of business name) = *Bronze Auto Body*
- **Silver level: \$100** (more prominent display of business name) = *SILVER SMITH DENTAL*
- **Gold level: \$250** (or more) *FULL BUSINESS CARD DISPLAY and advertising by the announcer at each home game.*
- **Platinum Level: \$ 400.00 or more.** *FULL BUSINESS CARD DISPLAY, advertising by the announcer with slogan, field reader board display.*

Each sponsor will receive a poster that can be proudly displayed at their place of business. More importantly, it is a great way for you to show your support of the youth in our community!

If you need any additional information, please feel free to contact any of our board members listed below. Please feel free to check out our website: www.roseburglacrosse.com
